Suppression de **ruchers** ou **ruches** possédants une colonie

The screenshot shows a web application interface for managing beehives. On the left, under the heading "Votre exploitation", there is a tree view of beehives. The "boisset" folder is selected and highlighted in yellow. It contains several sub-items: "boisset1", "boisset1 1", "boisset1 2", "boisset1 3", "boisset1 4", "boisset1 5", "toto 1", and "test".

On the right, there is a detailed view of a selected beehive. It has a "Menu" and "Actions" header. Below it, the "Adresse du rucher" section shows three rows of data with the value "0". The "Propriétaire" section shows the name "maksika".

A red banner at the bottom of the detailed view contains the text "Impossible de supprimer un rucher contenant des ruches". A red arrow points from a yellow box labeled "Interdit !" to this banner.

En résumé

The screenshot displays a web application interface for beekeeping management. On the left, a sidebar titled "Votre exploitation" shows a tree view of the user's account: "Exploitation de moi" containing "ANDRES RUCHER" and "Rucher 3333", with "Rucher 3333" containing "Division de ruche 2 vinc" and "Division de col1". The "Division de col1" item is highlighted in yellow. Below it, a list of hives is shown, including "Division de ruche 2 vinc" and several "ruche 2 vinc" entries. A red circle highlights the "Division de col1" item, with a red arrow pointing to a yellow callout box that says "1) e choisis ma ruche".

The main content area is titled "Division de col1" and features a "Menu" button circled in red. Below the menu is the "Détails de la colonie" section, which includes a form with the following fields: "Espèce" (Buckfast), "Marquage" (Bleu), "Année" (2017), "Affectation" (Miel), and "Biométrie" (test biome2). A "Date création" field shows "09/05/2017". A red circle highlights the "Ajouter une colonie" button in the top right corner, with a red arrow pointing to a yellow callout box that says "2) J'ajoute ma colonie".

At the bottom of the interface, a red circle highlights two buttons: "Modifier" (with a pencil icon) and "Supprimer" (with an 'X' icon). A red arrow points from a yellow callout box that says "3) Je modifie ou supprime" to these buttons.

Détail sur ma colonie

Je clique sur le nom le nom de ma colonie

The screenshot displays a web application interface for managing a beekeeping operation. On the left, under the heading "Votre exploitation", there is a tree view of the operation's structure. It includes a folder "Maksika" containing a "Rucher de Montpellier" location, which in turn contains a "boisset" area. Under "boisset", there is a sub-entry "boisset1" which is highlighted in yellow and circled in red. Below "boisset1" are several individual colonies: "boisset1 1", "boisset1 2", "boisset1 3", "boisset1 4", "boisset1 5", "boisset 2", and "toto 1". At the bottom of this list is a "test" location. A red arrow points from the text "Je clique sur le nom le nom de ma colonie" to the "hgfd" colony name in the list. On the right side of the interface, the details for the selected colony "hgfd" are shown. This section is titled "hgfd" and "Menu". Below that, the heading "Détails de la colonie" is followed by a list of attributes and their values: "Espèce : Carnica", "Marquage : Jaune", "Année : 2017", "Affectation : Miel", "Biométrie : na", and "Origine : nsp". A large red circle encompasses the entire details view on the right.
